

Space problems?

Problemi di spazio?

FAC srl has developed a new kit: the Bi-folding trackless solution can be used for small or single Bi-folding entrance as well as double ones for larger driveways. A complete accessories kit for an easy application on your Bi-folding gate.

FAC srl ha progettato un nuovo kit: il sistema Bi-folding non ha bisogno di rotaia e grazie alle ante pieghevoli è ottimale nei casi in cui non vi sia possibilità di scorrimento laterale. Utilizzabile per cancelletti pedonali o aperture maggiori con applicazioni a più ante. Un kit completo per una facile installazione!

Ed. 03-2016

Bi-folding gate

Small areas, minimal space.

Cancello Bi-folding

Spazi ridotti, minimo ingombro.

GATE ACCESSORIES

The new FAC Bi-folding kit: why choose it?

Il nuovo kit Bi-folding di FAC: perchè sceglierlo?
